When ::

Wednesday, November 18th, 2026 @ 9:30 AM–11:30 AM
Please arrive before 9:30am so that we can begin the tour on time. Tour will end around 11:30am.

What to Bring ::

Nothing other than yourself—attendance will be taken. Cameras are OK but ask permission first when on the press floor. Wear comfortable shoes as we will be walking around and standing on the concrete floors of the plant for about two hours.

Transportation ::

I will be driving a Chemeketa van for this field trip if you are unable to drive yourself. I can take up-to 11 (!) students in the van. The van will leave from the old bus stop outside the **northeast door of Building 4 at 9:10 AM**. If you do drive, consider carpooling as there is limited parking at Select Impressions.
