When ::

Thursday, April 24th, 2025 (Week 04) from 9:30am–11:30am
Please arrive at the first location by **9:20am** so that we can begin our tour on time.

What to Bring ::

- Yourself—attendance will be taken.
- Questions you might have about starting a business, either a small business or freelance business.

Behavior ::

- Be respectful of our hosts and their specific safety protocols.
- Model behavior that reflects well on you and the college.

Transportation ::

- You are on your own for making travel arrangements to the facility.
- We will be walking between our destinations, ending a few blocks south of our first stop. I suggest parking somewhere in the downtown core (between State Street and Chemeketa Street; Liberty & High Streets). Our walk is not a loop, so you will have to make your way back to your parking spot from The Refinery.
